HAVE SOFT, DARK LONG HAIR

Don't Be Gray. It's Unnecessary Nowadays, as Q-Ban Restores Color. Read How. Something New and Harmless.

Every man or woman should, by right, have evenly dark, handsome, lustrous hair—thick and beautiful. The charm of soft, dark hair is continued fascination, while gray, faded, thin or falling hair puts you in the old-age class. You can easily assist nature to restore dark original color to your hair by simply applying Q-Ban (pronounced Cu-Ban) Hair Color Restorer to all your hair and scalp a few times. This scientific preparation is different from anything else—it is a clear, harmless liquid, not sticky and messy—that nourishes the hair roots, causing all your gray, faded, thin or falling hair to turn dark, lustrous, long, soft, thick and radiantly beautiful, just as you like to have your hair. Q-Ban is successfully used daily by thousands. Q-Ban is the trade name of this superior hair color restorer, and should be used in preference to any other hair restorer because it is as harmless as pure water and is guaranteed to restore original even, dark color to faded or gray hair.
